President's Message

Greetings Chapter Members

I hope your get together with family and friends went well this Holiday Season. Now, It's time for the new year. We have a lot going on with classes, the Regional and a new location.

First of all, I want to thank Bill Nash and his employer, Entrematic, for the location for our January 4th one day. The demonstration given by Arnold Madnick on the principals of **"muggy Welding"** for the repair of statue clocks was informing. Arnold has made some risers for the exhibit at the regional, too. Thank you, Arnold

Kelsey Downum held the CR 100 class in January and will have an escapement class two weekends in February, (Feb. 15th- 16th and 22nd – 23) at the Founders Building in Grapevine. Registration for this class will end Feb. 10th. Please see our website for more class information. Open Bench will be February 4th presented by Bill Nash and Larry Thomas from 4 pm – 9 pm at the Founders Building, Grapevine.

Current News

We are engaged in a community clock project in Red Oak. The project has slowed somewhat due to the refinishing of the dials. The pole needs to be repaired and painted. The City is anxious to have it finished.

We have found a location for our classes. The building is a public Storage complex with store fronts. It is located at 102 N. MacArthur in Irving, TX. There is enough room for classes. I am working out some details with the city and the rental agency. This should be an improvement for our classes as Grapevine has restricted the availability to the Founders Building.

The **Fred Tischler Scholarship Fund** is almost funded. Some of the proceeds from the auction will go, and complete the funding.

The **Library Exhibit** is now set up in Grapevine's Library. Evelyn and Hugh Slough have done a wonderful job over the years managing this exhibit. If you haven't seen their exhibit, you need to make plans to see one.

Our Regional will start Thursday, March 5th with Jerry Kieffer teaching a course in the Riata Room at the Hampton Inn prior to the **2020 Lone Star Chapter 124 Regional**.
