## **Membership:**

We need your help! Our Chapter Membership needs to grow if we are to remain viable. Please ask former members to come back and encourage new members in what the Chapter offers. If you know of anyone retiring and looking for a hobby, or to learn how to generate additional income, this could be what they enjoy.

Also, if your membership is expiring, there is a renewal form at the end of this newsletter. Please take a moment to fill out the information and mail it back with your check in the enclosed envelope.

We are still looking for people to join the board of directors as well as people to assist us with projects.

It's your help that keeps us going.

Thanks,

**Bill Slough**
