PRESIDENT'S MESSAGE

Hello fellow members!

I hope everyone is getting ready for the upcoming Christmas Holidays. Since the last newsletter, we had a good turn out at the October One Day Show and the Waco Tri-Chapter One Day Show. I just finished hosting the NAWCC Basic Pocket Watch Suitcase Class in Grapevine on November 9 - 12. We had NAWCC members from California, Colorado, Kentucky, North Carolina and Texas attending. We all had a lot of fun learning the fine art of repairing 18 size pocket watches in four full days of losing and looking for jewel screws.

The October 14th One Day event had 88 members attending at the Grapevine facility. I would like to thank all members who attended. The mart tables were full with many clocks, watches and watch tools to purchase. Bruce Woolridge and Mark Vozar put on a great auction of members' and also Felix Ferrante's clocks and materials from Tyler who was closing his shop. The Auction had many large lots of clocks, clock parts, tools and supplies. I saw many new members stocking up on clocks, clock parts, supplies and tools.

The Waco Tri-Chapter One Day Show had a great turnout on Saturday, October 28th with 159 members attending from Chapters 15, 124, 139 and other Chapters across Texas, Arkansas and Oklahoma. All members seem to enjoy the Show with the various breakfast foods, accommodations, and the Texas Ranger's Museum on the banks of the Brazos River in Waco, Texas. I would like to Thank Hugh & Evelyn Slough, Wally & Faye Napier, Marcus & Becky Bush, Caroline Gordon, Phil Ball, Mark Vozar, Louis Ellis, and especially Gerald Greener for their help. I hope I did not leave anyone out that helped. The Waco Tri-Chapter One Day's educational by Gerald Greener on Cuckoo Clock Repair was excellent. I had many Chapter 15 and 139 members mention his excellent power point educational. Thanks again, Gerald, for repeating an interesting educational for our neighboring chapter members.

The Board will be getting ready to start planning for our 2007 Regional Show on March 2-3, 2007. We will be calling members to help to put on the largest Regional in Texas. We need help in areas in unloading, exhibits, setup, appraising clocks and watches. Call me or any director if you can volunteer to help. It is lot of fun!

Bring Your Homemade Clock or Watch Tools for Show and Tell for the Next One Day Mart on January 13th, 2007

Educational Director Larry Grubb is requesting that members bring a good homemade clock or watch tool to the next One Day for a "Show and Tell" educational. It should be fun to see some ingenuity, craftsmanship and creativity. This will also help novices with their projects especially when they are trying to save money.

* * * **IT'S MEMBERSHIP RENEWAL TIME!!!!** * * *

The Chapter Membership Year is the same as the Calendar Year. Since we are approaching the end of 2006, it is time to check the status of your membership. To do that, check the top line on the mailing label above.. If it says "Exp 12/2006" then your membership expires at the end of this month, and you need to renew. If it says anything else, your membership is current for 2007. The membership fee is \$10 per year for 1 to 5 years.

On the membership renewal form on page 3, we have printed a label summarizing the information we have on our Chapter Membership database regarding you. Even if you do not have to renew your membership, we would like you to verify the information on that label. If everything is correct, and your membership is current for 2007, you need do nothing. If anything on the label is incorrect, we would appreciate it if you would make the necessary changes and return the corrected renewal form to the membership renewal chairman.

An envelope is enclosed with the Newsletter for your convenience. Again this year, Gene Meysenburg is handling our membership renewals. If you have any questions about the renewals, or about your membership, you may call Gene at 214-328-1984, or email him at gm1000@prodigy.net.

Your prompt cooperation in this renewal process helps save the Chapter postage and mailing expenses. *Please do it now!*
